Contract Task Order No. 239

Subject: Operable Unit 1 Interim Action
Declaration for the Explanation of Significant Differences

Dear Mr. Laughmiller:

Brown and Root Environmental is pleased to submit the Explanation of Significant Differences for the NADEP Central Hot Spot and the Stripper Barn.

Copies of the Explanation of Significant Differences have also been sent to John Myers, Rachel Johnson, Jay Bassett, Linda Raynor and Steve Bivone for their review and comment.

Please feel free to call me at 412-921-8916 if you have any questions.

Sincerely,

Mark P. Speranza, P.E.
Project Manager
